1. What are the anticipated results of new life in vss. 25-32?
2. What are the characteristics of the old self? What other passages deal with the same topic? What is the result of that line of thinking in Romans 1:18-32?
3. Consider how the world would look if just professing Christians fulfilled the commands in vss. 23-32.

And though this world, with devils filled,
 should threaten to undo us,
 We will not fear, for God hath willed
 His truth to triumph through us;
 The Prince of Darkness grim,
 we tremble not for him;
 His rage we can endure, for lo,
 his doom is sure,
 One little word shall fell him.
