Psalms 145:4

Job 32:7

Titus 2:3-5

Application: _____

1. Do the statistics of kids leaving the faith in college scare you?
2. Do you agree the primary role of teaching children scripture is the parent's responsibility?
3. What can you do to help encourage parents in their role of spiritual mentors?
4. Not all kids raised in Christian homes with good parents will continue to be Christ followers. This can be discouraging. What can we do to encourage these parents? What hope is given in scripture to alleviate parental anxiety/stress for kids who are not currently walking with the Lord?
5. Do you possess any experiences or spiritual wisdom you think would be beneficial for the next generation? Share with others.
6. We need to realize none of us are above learning from others no matter our age. What can you learn from another fellow believer no matter the age? What do you want to learn?
