Joshua 10:28-43

February 7, 2021

Truth Point: In Joshua chapter 10, we find that Joshua and the leaders are fully trusting and fearing God only—not those who are battling against them. We also see the enemies of Joshua fear God, but they respond in a bad way.

Read the following verses to determine and discuss the action and attitude we should take:

1. Proverbs 15:16

2. Psalm 145:19

3. Psalm 147:11

4. Luke 1:50

5. Ecclesiastes 8:12-13

6. Psalm 103:11

7. Malachi 4:2

Final Action Point: Finish up by reading Malachi 3:16-17 and discuss how to apply this truth. Then pray for the others in your group that they would also have a healthy fear of God.
