*To be a Christian without prayer is no more possible than to be alive without breathing.*

Martin Luther

True prayer is neither a mere mental exercise nor a vocal performance. It is far deeper than that - it is spiritual transaction with the Creator of Heaven and Earth.

Charles Spurgeon

Prayer will not be very satisfying if you don't want God. Our goal in prayer is not ultimately to get things from God. Our goal in prayer is ultimately to know, love, and enjoy God.

David Platt

*Prayer is continuing a conversation that God has started through his Word and his grace, which eventually becomes a full encounter with him.*

Tim Keller

**Welcome, Church Family & Visitors** to Worship on the Lawn at Cornerstone. What a joy and blessing it is to be together. **This morning** we welcome Darren as our guest speaker. Darren spent a part of his youth at Cornerstone and met his lovely wife here, too! We look forward to receiving what God has placed on his heart and give all the glory to Jesus Christ. Thank you, Darren!

**PRAY** for Serhii, Ethan, and our young people as they travel this coming week to Northern California for a fun time together and opportunities for spiritual growth and unity.

**July 26th** we are welcoming Pastor Ricky Jenkins as our guest speaker. Pastor Ricky leads the Southwest Church in Indian Wells and has preached the Gospel for 20 years. He has been called to pursue God passionately and to pursue God's people compassionately. Invite friends and family to join us at 8am next Sunday as we gather again on the lawn for worship and the Word.
