Matthew 5:13-16 Salt & Light Part 2

1. What is the purpose of an individual having sound doctrine?
2. In what way is showing mercy different than showing love?
3. The call to action this week is to show mercy. How can you show mercy to others this week?
4. How can we appropriately show mercy and love to those who are fellow believers in Christ, yet interpret scripture differently than us?
5. Discuss how pride hinders mercy.
6. 2 Timothy 4 states “For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables.” Have your group discuss any modern day movements which qualify for this definition - then, how do we respond?
