4. As followers of Christ we do not \_\_\_\_\_  
As followers of Christ we \_\_\_\_\_

## Home Study Guide

Matthew 5:13-16

1. We discussed the Bereans in Acts 17 and their response to Paul. What did they examine when they heard from Paul and Silas? "Scripture" is not an acceptable answer here; please be more specific.
2. Why would this be a concern to the Jews?
3. How often did they examine it?
4. What are some of the best ways to examine scripture? Are there methods you use that you can share with the group?
5. Next week Pastor John will be discussing "loving the Lord God with all your strength." As a group, discuss what that means. Can you be good Bereans and find scripture that supports your thoughts on how we can love God with all our strength?
6. End with a discussion on how we can love other believers without compromising doctrinal purity.
