1. What did Jesus give up to become human? What did Jesus have to endure in His everyday life as a man which would have caused Him pain (e.g., insults, challenges to his authority, etc.)?
2. Why did Jesus suffer? How was His suffering different than the suffering of criminals?
3. Jesus suffered without retaliating; do we (as a church and individuals) do the same? Why or why not?
4. What is different about Jesus's kingdom compared to the kingdoms of the world?
5. How can we better represent the kingdom through our speech and conduct?
