Joshua 11

Sunday, March 7, 2021

1. The Psalmist says in Psalm 2, "Why do the nations rage?" who in the world today is raging against the Lord, opposing themselves to his will? Who rages against the Lord in your life?
2. As God's people, what does it look like to trust and obey God despite those who oppose him?
3. What worldly dependency prevents you from wholly surrendering to God?
4. What would it look like for you to repent and surrender that to him?
5. Why was it important for Joshua to "hamstring the horses and burn the chariots"? Why is it important for us to apply the same principle in our lives?
