Joshua Chapters 3 & 4

October 18, 2020

1. Why does faith seem simple and yet in practice so difficult to fully exercise or show?
2. Why does learning to have faith take so long and yet the opportunities to respond in faith seem so sudden?
3. There are moments we have to suddenly respond in faith and then there are seasons when we have to keep hold of faith under difficult circumstances. Are there differences in these faith responses?
4. Who are some of the heroes of faith in your life? How do they compare to heroes of faith in the Bible? How do the models of faith of both groups encourage or strengthen your faith?
