Joshua Chapter 2

October 4, 2020

- 1) Does understanding the history and culture of the Bible passage help you understand God's message in it? Take some time this week to learn about the culture of ancient Canaan, especially Jericho.
- 2) What level of faith do you think the spies needed to have? What have they experienced that gives them that faith?
- 3) List some of the remarkable statements that Rahab makes. What kind of things did she experience or hear to bring about her change?
- 4) In what ways did she have to maintain faith and obedience in order to survive? What conversations do you imagine took place in her home after the spies left?
- 5) What things did Rahab show in her life that garnered her a mention in Hebrews 11?
