I. UNDERSTANDING STEWARDSHIP

Basic Definition:

Biblical Definition: A recognition that all we have is _____ by God

(Ps. 24:1) AND that we will give an _____ one day of what we are holding in _____ for Him. (Luke 16:1-3; Rom. 4:12).

An ownership mindset vs. stewardship mindset:

II. UNDERSTANDING TIME

The hard facts:

Chronos / Kairos:

III. PRINCIPLES TO APPLY

_____ it as a valuable commodity.

_____ it for kingdom returns.

Three things that are eternal: 1. _____ 2. _____ 3. _____

_____ it wisely.

The importance of "margin" in your life.

Dig Deeper:

1. Why is faithfulness the most important quality for a steward? (1 Cor. 4:1-2)?
2. How would having a stewardship mindset change what you buy, what you store, and what you give?
3. Why do we struggle so much in how we use time? What are the challenges we face personally, and culturally?
4. What can we learn from Mark 1:35-41 about the priorities of Jesus and how he used time?
5. In Psalm 90:4, it says we should "number our days." How do we do that when we don't know the number of our days?
6. How might the truths of Ecclesiastes 2:1-13 impact our view of time and use of time?
